WELCOME FROM THE COMMITTEE

45 long years ago we fledged the comfortable nest that was our Alma Mater. We were young, apprehensive, hopeful and innocent. Our gathering this weekend was totally beyond our comprehension. 60 somethings were old folks – and we were NEVER going to become old ourselves. Old folks were out of touch with the real world. They wore frumpy clothes and sensible shoes. They sat in rockers a lot and bored us with discussions of their various aching body parts. But the years flew by. We became young people. Then quickly we morphed into middle-aged adults. And now, undeniably, we find ourselves slipping into our senior years. It has been an interesting journey filled with once unimaginable challenges, joys and sorrows. Youth and innocence are no longer ours, but the years have shown us how important it is to cherish life's simple joys and given us a new perspective. (Dare we call it wisdom?) Life has taught us to be more caring, more patient, and less self-centered. We are more relaxed and self-confident. Slightly ahead of the Baby Boomers, we are in the vanguard of a new age of seniors. With luck we can lead the way into an era in which seniors can work longer, contribute more to society, and enjoy life as never before.

As we gather to celebrate this weekend let us look forward to this new age of possibilities and opportunities. Don't forget to take your meds, and please wear your comfy shoes. We'll even tolerate a bit of conversation about illnesses, doctor visits, hospitalizations, etc. But we can still think of each other as "kids". Let us listen to one another, reminisce about our shared experiences at Bethlehem, laugh a lot, and part with joy in our hearts.

Remember when.....

We had no childproof lids on medicine bottles, doors or cabinets and when we rode our bikes, we had no helmets, not to mention, the risks we took hitchhiking.

As children, we would ride in cars with no seat belts or air bags.

Riding in the back of a pick up on a warm day was always a special treat.

We drank water from the garden hose and NOT from a bottle.

We shared one soft drink with four friends, from one bottle and NO ONE actually died from this.

We ate cupcakes, white bread and real butter and drank soda pop with sugar in it, but we weren't overweight because.....WE WERE ALWAYS OUTSIDE PLAYING!!

We would leave home in the morning and play all day, as long as we were back when the streetlights came on.

No one was able to reach us all day. And we were O.K.

We did not have Playstations, Nintendo's, X-boxes, no video games at all, no 99 channels on cable, no video tape movies, no surround sound, no cell phones, no personal computers, no Internet or Internet chat rooms.....WE HAD FRIENDS and we went outside and found them!

We fell out of trees, got cut, broke bones and teeth and there were no lawsuits from these accidents.

We were given BB guns for our 10th birthdays, made up games with sticks and tennis balls, and although we were told it would happen, we did not put out very many eyes.

We rode bikes or walked to a friend's house and knocked on the door or rang the bell, or just yelled for them!

Little League had tryouts and not everyone made the team. Those who didn't had to learn to deal with disappointment. Imagine that!!

The idea of a parent bailing us out if we broke the law was unheard of. They actually sided with the law!

This generation has produced some of the best risk-takers, problem solvers and inventors ever!

We had freedom, failure, success and responsibility, and we learned how to DEAL WITH IT ALL!

Being raised in Delmar in the 50's by "The Greatest Generation" couldn't have been any sweeter than Garrison Keillor's descriptions of fictional Lake Wobegone. I am blessed to have shared this with you. Thanks for the memories.

I am so sorry I can't attend this reunion. I will definitely be there for the next.
My friend and loving significant "other" Richard passed away 3 years ago after 23 years together. Single life is quite challenging at times, but I have become more confident and independent in these senior years. I am still working part time at a health club. I enjoy yoga, pilates, tai chi, lifting weights, walking my dog, bike riding and sharing time with friends. The senior years have been good to me so far.

Since our last reunion, I have sold my house in Connecticut and built a new, water-access only, home on the shores of Raquette Lake, up in the Adirondacks. My entire family takes the last two weeks of July as their annual summer vacation, and will all be here at one time or another during that two week period. July 22 is the only time that all of my kids, their spouses, and all of my grandchildren will be here at the same time. By snail-mail I will send three dollars for the class booklet. Although I can't be there, I still would like to know how many of my former classmates are doing. See you in five years-if not before!

We will celebrate our 43rd wedding anniversary on October 19th. We moved out here two years ago after we retired. Our oldest daughter Darci lives here with her husband Bob and two children. She is a speech pathologist and home schools her children. Her husband is a per-fusionist at Enloe Hospital in Chico. Our youngest daughter Kristin still lives in Delmar with her husband Rob and our granddaughter Alexia who attends BCHS. WOW, where did all the years go?

We are having a great time out here in Chico, but very much miss our life back east at times. We are very active in our church and volunteer with the highschool youth group, which takes up lots of our time. We will be unable to attend the reunion this year. We have plans of coming back to Albany towards the middle of September for some family functions and a wedding.

I have seen and talked with Linda Fuhrman and Ed Miller in the last few years, but sorry to say that I have lost contact with most everyone else.

Our daughter-in-law had a liver transplant in Boston on 6/16/06. She will be recuperating with us since her house has many stairs. It will be nice to have Rob and JoAnne with us for awhile. It is strange to see names from 45+ years ago and even remember some faces. You all are still 17-18 years old in my minds eye.

Since my parents passed away I don't come to the Delmar area anymore. Many of you were kind to offer support and condolences when we were there. I guess my parents were the 1st pediatrician's practice in the area and took care of many of you. The 6 Gainor kids are spread all over the country.

I'm living on the beach in Southern California and have a private practice

*in Marriage Family Therapy nearby.
Our 3 kids are grown up. We have 2
grandkids in Montreal that draw us to
visit the East Coast.*

*I was the tallest girl in our class and I
guess I still hold that honor. It was a
tough time but worked out ok in the
end. My 6 foot kids had a real
advantage in volleyball and their high
school was ranked # 1 and 2
nationally each year.*

Retired December 2005. Bought my traveling van (my newest ever vehicle) 2002 Ford extra, extra fancy all leather, full bed, T.V. DVD, CD, Tape, Radio, sexy limo style tea lights around my roof. Plan to visit Denmark this fall. Joined the best vacation program ever called "R.C.I." If this sounds like I'm bragging, sorry, but at my age I think it's permissible. Hope everyone of my 1961 classmates will be here for this 45th reunion. Love to all.

We've become grandparents! John was born about 1 week after our last reunion in 2001. Kinsey Nicole was born in 2002. I retired from Maryvale Intermediate School in 2004. How great it is!! My Dad, Philip Moore, who taught 9th grade science at Bethlehem Central Jr. High, turned 90 this year. My niece, Brittany, still lives with us so we're living through the teenage years again.

Greetings to everyone. I really thought I'd be able to attend the reunion this year, but people's vacation plans interfered. Two more years, and I will be retired and will hopefully have more free time to travel. My dad died in 2001 and my mother is living in Ithaca now, so I have no "home base" in the Delmar area anymore. It is a bit sad, but I will visit the area again and see the Helderbergs and the Hudson Valley.

We see Price and Barbara Chenault and Sharon Adams Schmid occasionally, and MaryAnn Beecher Gilbert while her daughter lived in Washington State.

ALMA MATER

(Words by A. Marston '36)

Near the mountain's silent splendor

And the Hudson wide,

Nobly stands our Alma Mater

Filling us with pride.

Chorus

Sing the praise of Bethlehem Central

Fight to bring her fame;

Conquer all who dare to challenge,

Glorify her name.

Though we pass outside her portals

When our days are through,

Orange and Black, her grand old colors,

We will honor you.
